

AMERSHAM ROAD CYCLING CLUB

Club Kit Order Form

I am please to announce that we have finalised the arrangements for the future supply of Amersham RCC kit. We will be buying the kit direct from Inverse, the Spanish manufacturers who supply many of the leading teams and clubs across Europe.

Please select the items you wish to purchase and return the order form to me as soon as possible. We intend to place the order with Inverse by 30th September. Any requests received after that date will not be included and will have to wait until the next order which will be placed in January.

Justin O'Neil
Kit Secretary
